TECHNICIAN EMPLOYMENT OPPORTUNITY ANNOUNCEMENT NUMBER 04-080T

OPENING DATE: 19 Feb 2004

CLOSING DATE: 4 Mar 2004

POSITION TITLE, SERIES AND GRADE	POSITION NUMBER	SALARY RANGE
Production Controller (Aircraft) GS-1152-07 (Anticipated Vacancy)	80124000	\$32,447- \$ 42,177 pa

TYPE OF APPOINTMENT: Technician, Excepted, Enlisted, Non-Supervisory, Permanent

NOMINATING OFFICIAL: Edmund J Eveld, Supervisory Production Controller

LOCATION OF POSITION: 188th Fighter Wing, AR ANG, Fort Smith, AR 72903-6096

AREA OF CONSIDERATION: Promotion/reassignment opportunity for qualified onboard military technicians of the 188th Fighter Wing, AR ANG.

QUALIFICATION REQUIREMENTS: GENERAL: Experience, education or training which indicates the candidate can reason in quantitative terms, can express himself or herself orally and in writing, and understands the terminology and data pertaining to the repair operations and processes characteristic of the production activity. SPECIALIZED: Must have 12 months experience performing functions such as installation, inspection, repair and modification or overhaul of aircraft engines and components, or other experience which would provide a broad knowledge of the flow of production and maintenance methods and equipment. OTHER REQUIREMENT: Individual must meet all military requirements of the position without creating a grade inversion, as determined by the supervisor.

PLACEMENT FACTORS: Applicants should demonstrate through prior experience, education and training the following: (1) Knowledge of basic operation of the Core Automated Maintenance System (CAMS). (2) Knowledge of the Maintenance Operations Section duties and responsibilities. (3) Knowledge of assigned aircraft engines and related support equipment. (4) Ability to apply related weapons systems technical orders and publications. (5) Ability to establish priorities on matters affecting workload and production. (6) Completion of appropriate technical school/CDC courses. Upon selection, must be a member of the 188th FW, AR ANG, and assigned to a compatible military position in AFSC 2AXXX, 2RXXX.

SUMMARY OF DUTIES: This position is located within the Maintenance Operations Flight of the 188FW Maintenance Organization. Its purpose is to ensure that a high quality aircraft engine is produced while maintaining safety of flight and avoiding unnecessary fiscal and manpower expenditures. Develops long-range maintenance forecasts for all propulsion assets based on actuarial data, time change requirements, inspections, Time Compliance Technical Orders (TCTOs), and varying mission lengths and profiles. Manages the time change program by utilizing authorized variations of established life limits to preclude unnecessary removal of engines. Ensures the accuracy of engine/module/component historical data. Requisitions time change items. Prepares engine cost reports based on long-range forecasting and historical data relating to unscheduled maintenance. Accounts for unscheduled maintenance by reviewing past performance history and predicting future requirements. Manages the TCTO program for engines, modules, and related equipment. Reviews and verifies TCTOs for applicability. Responsible for scheduling accomplishment of TCTO action, status reporting and TCTO kit reconciliation. Briefs commanders and staff on engine related maintenance matters. Coordinates with the Propulsion Section supervisor to establish priorities and extent of maintenance to be performed.

SUMMARY OF DUTIES CONTINUED: Provides engine maintenance requirements of the Plans and Scheduling Section for inclusion in the daily, weekly, and monthly maintenance schedules. Designates which engines are suitable for deployment and mobility. Prepares a comprehensive analysis of budgetary requirements based on forecasted time change/TCTO and scheduled/unscheduled maintenance performed on propulsion assets. Utilizes this analysis to determine Depot Level Repair (DLR) and Operations and Maintenance (O&M) funding requirements. Provides a realistic review of fiscal needs to the Logistics Group Commander. Establishes local policies and procedures concerning reporting and movement of engines/modules by other base agencies. Negotiates with major command and Air Logistics Centers (ALCs) to coordinate movement of engines, modules and subassemblies to and from depot. Reports engine/module shipments and receipts to appropriate ALC. Performs duties as War Reserve Material monitor for all propulsion assets. Performs other duties as assigned.

APPLICATION INSTRUCTIONS: Individuals meeting General and Specialized Qualification Requirements may apply by submitting either OF 612, Optional Application for Federal Employment, or a resume, or other written format, with attachments listed below, so that it will arrive on or before the closing date of the Employment Opportunity Announcement. **WHATEVER APPLICATION FORMAT IS USED, IT IS CRITICAL THAT ALL REQUIRED INFORMATION IS SUBMITTED, PARTICULARLY ALL EXPERIENCE PERTAINING TO SPECIALIZED QUALIFICATION REQUIREMENTS.** Individuals submitting incomplete applications may lose consideration for a position. Submit applications to the Human Resources Office, Camp Robinson, North Little Rock, AR 72199-9600, or to the 188th FW/DPM, 4850 Leigh Ave., Fort Smith, AR 72903-6096. **Application must be signed in original ink. FAXED, INCOMPLETE, AND/OR UNSIGNED APPLICATIONS WILL NOT BE CONSIDERED.** Male applicants between the ages of 18 and 25 must be registered with the Selective Service System, as provided in Section 1622 of the Defense Authorization Act of 1986, prior to appointment to a Civil Service position for which selected. Applicants not registered prior to age 26 are ineligible for employment in the Federal Civil Service System. Evaluation will be based on the experience/qualification requirements stated in the announcement; therefore, it is important that every requirement be based on the application. When possible, experience should be explained in terms of knowledge, skills and abilities. Substantial changes in duties and responsibilities should be fully explained so that appropriate credit may be given. Required attachments to the application are as follows:

1. AG AR Ark Form 1: Chronological Summary of Military Experience. Include assignments, training and experience, and AFSCs/MOSs awarded.
2. AG AR Ark Form 6: Military and Civilian Education. Include hours or weeks, and dates completed. If attendance was less than full time (i.e., night school) indicate actual hours.
3. AG AR Ark Form 22: Pre-Appointment Certification Statement.
4. SF 181: Race and National Origin Identification

This position with the Arkansas National Guard is a Title 32 USC 709 position, not Title 5, and as such has different RIF criteria, certain grade and promotion limitations, and no Veterans Preference. Direct Deposit/Electronic Funds Transfer of Civilian Pay is required as a condition of promotion/reassignment.

THE ARKANSAS NATIONAL GUARD IS AN EQUAL OPPORTUNITY EMPLOYER, AND AS SUCH, ALL APPLICATIONS FOR THIS POSITION WILL RECEIVE CONSIDERATION WITHOUT DISCRIMINATION FOR ANY NON-MERIT FACTORS, SUCH AS RACE, SEX, NATIONAL ORIGIN, POLITICS, MARITAL STATUS, AGE, OR MEMBERSHIP OR NON-MEMBERSHIP IN AN EMPLOYEE ORGANIZATION.
